**HOLIDAYS HOMEWORK**

**SESSION 2024 – 2025**

**CLASS – VIII**

**SUMMER**

**Dear Parent & Student**

**Warm Greetings!!**

**Summer vacation is around the corner, bringing with itself a much-needed respite from hectic school days. We hope that you will thoroughly enjoy the vacations and make the most of this summer. While it is indeed important that you relax and refresh yourselves, it is also important that you exercise your minds.**

**Keeping this in mind, we have designed various exciting activities/projects to keep the students engaged and active during the summer vacation. These fun projects/assignments would enhance learning skills, help understand concepts better, and make for a great crash course aimed at improving academic output. These activities will not only help you to revise what was taught, but will also enrich your knowledge. These projects will be assessed as Subject Enrichment Activity. We encourage parents to motivate and support the students to ensure the given work is completed in time, to the best of their ability. Your support and encouragement both have a huge impact on your child's learning ability.**

**The Holiday Home Work is to be done neatly with relevance to the questions asked and to be submitted to the subject teachers within a week of reopening of the school **i.e. 10th July 2024**. Homework submitted late will invite negative marking. It is important that deadlines are met.**

**Wishing you a fun filled, safe summer vacation!!**
