Class - II

Name : _____

Section: _____ Roll No: _____

Dear Parents,

Summer vacation is a time for children to enjoy and relax. This is the time to nurture young minds, inculcate moral values and share family anecdotes to keep them in touch with their roots. To make these holidays both productive and enjoyable, we have planned some fun-filled and creative activities that you and your little one can do together.

Please follow these suggestions during the holidays:

- *Holiday homework must be done in a very neat and presentable manner, in the child's own handwriting.*
- *Assessment will be based on presentation, neatness, completion of all given questions and timely submission.*
- *Set up a daily timetable for your child to organize their routine, balancing screen time, playtime with friends and study hours.*
- *Revise all the chapters and topics covered so far thoroughly.*
- *Download and print the holiday homework booklet from the school app.*
- *Complete all the tasks in the printed booklet.*
- *Organize the completed work in a neat labelled folder and submit it to the class incharge by or before 10 July, 2026.*
- *Encourage your child to converse in English.*

Thanks!

“Play, learn and grow everyday.”
