Reason (R): There can be no unity if there is diversity.
- f. Assertion (A): India has been called by many names by its inhabitants and visitors from outside.
Reason (R): Inhabitants are those who live in a particular place.

CASE STUDY BASED QUESTIONS:

The most popular reference to a geographical area being described as Bharat is in the Vishnu Purana: "Uttaram yat samudrasya, Himadreshchaiva dakshinam, varsham tad Bharatam nama Bharati yatra santatih", meaning, the country that lies to the north of the ocean and to the south of the snowy mountains is called Bharata as there dwell the descendants of Bharat. In Hindu scriptures, Bharatavarsha is identified as part of a larger geographical entity called Jambudweep. Bharata, whose descendants were said to be living in a particular area in Vishnu Purana, is commonly thought to be King Bharata, the son of Dushyant and Shakuntala, and an ancestor of Kauravas and Pandavas. That also explains the name of the 'Mahabharata' which chronicles the war between Bharata's descendants. In the Vedas, Bharata is the name of a tribe. King Sudasa of the Bharata tribe fights a war against the Puru tribe of which the Bharata tribe was a part. Later, Kuru dynasty emerged from the Bharata lineage in which King Bharata was born.

- g. What is the geographical location of Bharat, according to the Vishnu Purana?
i) North of the snowy mountains and south of the ocean
ii) North of the ocean and south of the snowy mountains
iii) East of the snowy mountains and west of the oceans
iv) West of the snowy mountains and east of the oceans
- h. The term 'Bharatavarsha' was mentioned in which ancient text?
i) Rig Veda ii) Mahabharata iii) Vishnu Purana iv) Sama Veda

2a) Short Answer Based Questions:

- a) Why does society need diversity?
b) What is the Constitution? How was India's name adopted in it?

2b) Long Answer Based Questions:
